

### Remarks

Applicant submits the above amendments to the application in order to comply with differences in U.S. and foreign filing requirements. No new subject matter has been added to the application via these amendments.

In particular, amendments were made to the Abstract of the specification in order to eliminate references to specific figures or labeled parts thereof.

Amendments were made to the claims in order to correct the dependency of the claims to comply with U.S. patent law.

It is believed that no fee is due with this submission. Should that determination be incorrect, then please debit Deposit Account No. 50-0644 and notify the undersigned.

Respectfully submitted,

Dated: August 24, 2006
